

**ARE YOU A CAREGIVER OF A
CHILD WITH PWS?**

**Does your child need help
completing self-care skills?**

I am recruiting for a research study evaluating the impact of a behavior-analytic caregiver training program on teaching caregivers how to train self-care skills to improve their child's independence. Participation is fully remote and will take place across 8 weeks, for 1-2 hours a week. If you are 18+, speak and read English fluently, a Caregiver of a child with PWS aged 10-17 who needs help with self-care skills, and have access to the internet you may qualify. Please share this flyer with anyone who may be interested.
